STORY STARTERS

Valentine's Day story starters

For parents and teachers: pick one question, read it aloud and talk about it for a minute. Then your child tells the story, draws it or writes it on the pages that follow.

Ask your child:

1. “A card arrives with no name on it, only a drawing. Who sent it, and why?”
2. “Two friends could not be more different. Tell the story of the day they met.”
3. “Your pet makes a card for someone in the family. Who is it for, and what does it say?”
4. “Someone in town needs cheering up. What do you make for them?”

Stuck? Follow-up questions to ask

Who is in the story? Where does it happen? What goes wrong? How does it end? And then what?
